Greetings!

Will you help us on our journey to make a difference for families in the Pee Dee Region by joining our Wall of Heroes?

Pick 42 Foundation works tirelessly year-round to help families have better outcomes via our various programs in 3 key areas of Food, Fitness and Fun. These programs include combating food/nutrition insecurity, Free Stores, community garden, Fitness activities & education and our flagship Toy Drive. Attached is an infographic that will give you a year at a glance of our work. Your support makes all the work we do in the community possible.

Annual Sponsorships

- Platinum Sponsorship - \$1,000 or more
